Dear Members of the School District Board,

I am writing to formally express my objection to the proposed boundary shift of [specific details about the boundary shift, e.g., neighborhoods affected]. As a resident of [Your Neighborhood or Area], I have several concerns regarding how this change will impact my family and our community.

Firstly, [State your first reason for objection, e.g., impact on student enrollment, disruptions to community ties]. Secondly, [State your second reason for objection, e.g., travel distance to the new school, potential overcrowding]. Moreover, [mention any additional reasons or personal anecdotes that support your argument].

It is crucial for our children to have stability in their education and relationships. A change in the district boundaries would create unnecessary disruption, and we urge the board to reconsider this decision.

Thank you for your attention to this important matter. I hope the board will take community feedback into account before finalizing the boundary adjustments. Please feel free to contact me at [Your Phone Number] or [Your Email Address] for further discussion.

Sincerely,
