

Petition to Modify Traffic Light Timing

Date: [Insert Date]

Address: [Office Address]

Dear [Authority's Name],

We, the undersigned residents of [Community/Neighborhood Name], are writing to formally request a review and modification of the traffic light timing at the intersection of [Intersection Name/Location].

Currently, the traffic lights are set to [describe current timing situation, e.g., "favor vehicular traffic during rush hours while pedestrian wait times are excessively long"]. This has led to [describe issues such as "increased traffic congestion, unsafe crossing conditions for pedestrians, or accidents"].

We propose the following modifications to the traffic light timing:

- [Proposed Change #1: e.g., "Increase the pedestrian crossing time to 30 seconds during peak hours."]
- [Proposed Change #2: e.g., "Add a dedicated turn signal for vehicles turning left onto [Street Name]."]
- [Proposed Change #3: e.g., "Synchronize traffic lights along [Street Name] for better flow during high traffic times."]

We believe that these changes will significantly improve traffic flow, enhance safety, and make our community a better place to live. We respectfully request your attention to this matter, and we are eager to discuss this proposal further.

Thank you for considering our petition. We hope to see positive changes implemented soon.

Sincerely,

[Your Name]
