Dear [Local Tax Assessor's Name],

I am writing to formally object to the property tax assessment for my property located at [Your Property Address], with the parcel number [Parcel Number]. After reviewing the assessment notice I received on [Date of Notice], I believe the assessed value of my property is excessively high compared to its market value and similar properties in the area.

Based on my research, the current market value for properties similar to mine is closer to [Estimated Market Value]. I have included supporting documentation that outlines my arguments, including recent comparable sales and any necessary photographs of my property.

I respectfully request a thorough review of my assessment to reflect a more accurate market value. Please let me know if there is any additional information I can provide to assist in this review process.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
