To Whom It May Concern,

I am writing to apply for the Water Conservation Rebate Program offered by [Name of Utility/Agency]. As a resident of [City/Neighborhood], I am committed to reducing water consumption and enhancing the sustainability of our community.

In alignment with this goal, I have implemented various water-saving measures in my home, including:

- Installation of low-flow faucets and showerheads

- Use of drought-resistant landscaping

Attached to this application are the necessary receipts and documentation to verify these improvements. I believe that these efforts deserve recognition and support through the rebate program.

Thank you for considering my application. I look forward to your positive response.

Sincerely,
