To Whom It May Concern,

I am writing to express my interest in participating in the municipal recycling program initiated by the [City/Town Name] government. As a resident of our community, I understand the importance of sustainable practices and the positive impact they have on our environment.

My interest in this program stems from a desire to contribute to the reduction of waste in our community. I believe that effective recycling practices can play a critical role in promoting environmental stewardship and educating residents on sustainability.

I would appreciate any information you could provide regarding the application process, program requirements, and any upcoming information sessions or workshops. I am eager to learn more about how I can get involved and make a difference.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,
