

Dear [Librarian's Name],

I hope this message finds you well. My name is [Your Name], and I am reaching out to inquire about the children's reading initiatives currently being offered at [Library Name]. As a parent/educator deeply invested in promoting literacy among children, I am keen to learn more about your programs.

Could you please provide information regarding:

- The types of reading programs available for different age groups
- Any upcoming events or workshops focused on children's literacy
- Resources that the library offers to support reading at home

Thank you for your time and assistance. I look forward to your response.

Sincerely,

[Your Name]
