Dear [Recipient's Name],

I am writing to formally request the installation of speed bumps on [specific street/area]. As a resident of this neighborhood, I have observed an increasing number of vehicles exceeding the speed limit, which poses a significant risk to pedestrians, especially children and the elderly.

The presence of speed bumps would greatly enhance the safety of our community by reducing vehicle speeds and promoting adherence to traffic laws. I believe that this measure will not only improve safety but also foster a sense of security among residents.

Many residents have expressed concern regarding this issue, and I would be grateful if you could consider this request as a priority. I am happy to meet to discuss this matter further and gather support from other community members for this initiative.

Thank you for your attention to this important safety concern. I look forward to your positive response.

Sincerely,

[Your Name]
