Dear [Recipient's Name],

I am writing to request a comprehensive traffic study to address the growing concerns regarding traffic congestion and safety in our municipality. The areas identified for this study include [specific locations or intersections].

Recent observations and resident feedback indicate that traffic patterns have significantly changed, leading to increased delays and potential hazards for pedestrians and drivers alike. We believe that an expert analysis will help identify the root causes and provide actionable solutions.

We would appreciate it if your department could conduct this study at your earliest convenience and provide recommendations based on your findings. Please let us know if any additional information is required to facilitate this request.

Thank you for considering our request. We look forward to your prompt response.

Sincerely,
