To Whom It May Concern,

We, the members of the [School Board Name], are writing to formally request enhanced police visibility in and around our school district. Recent events have raised concerns regarding the safety and security of our students, faculty, and staff.

The presence of law enforcement officers on campus not only acts as a deterrent to potential incidents but also fosters a positive relationship between students and the police, promoting a safer environment for everyone.

We propose the following measures to enhance police visibility:

- Regular patrols during school hours
- Presence at school events and activities
- Collaboration with school safety programs

We believe that these actions will significantly contribute to the overall well-being of our school community. We appreciate your attention to this matter and look forward to a positive partnership.

Sincerely,
