Dear [Recipient's Name],

I am writing to propose a Road Usage Impact Assessment project in response to the increasing traffic concerns within [specific area/location]. This assessment aims to analyze the current traffic patterns, assess the potential impacts of proposed road modifications, and recommend solutions to mitigate negative effects.

The specific objectives of the assessment include:

- Evaluate existing road usage and traffic flow.
- Identify areas affected by congestion and safety issues.
- Propose potential road improvements and traffic management strategies.

We believe that this assessment will provide valuable insights to help [Recipient's Organization] make informed decisions regarding road development and maintenance.

We look forward to the possibility of collaborating with you on this important initiative. Please feel free to contact me at [your phone number] or [your email address] to discuss this proposal further.

Thank you for considering our proposal.

Sincerely,
