

# Petition for Increased Funding for Municipal Broadband Projects

Date: [Insert Date]

To: [Recipient Name] [Title] [Organization/Department] [Address] [City, State, Zip Code]

Dear [Recipient Name],

We, the undersigned residents of [City/Community Name], are writing to formally request increased funding for municipal broadband projects in our area. Access to reliable, high-speed internet is essential for education, business, and overall community well-being.

In recent years, the digital divide has become increasingly apparent, leaving many residents without adequate internet access. This lack of service has hindered educational opportunities, economic growth, and access to essential services.

We believe that with increased funding, our local government can expand its broadband infrastructure, ensuring all residents can access the internet, paving the way for a smarter, more connected community.

Therefore, we respectfully urge you to prioritize and increase funding for municipal broadband initiatives. Together, we can work toward a future where everyone in [City/Community Name] has equal access to vital online resources.

Thank you for your attention to this important matter. We look forward to your supportive actions that will benefit our community.

Sincerely,

[Your Name] [Your Address] [City, State, Zip Code] [Email Address] [Phone Number]
