Subject: Feedback on Traffic Safety Measures

Dear [Municipal Officer's Name],

I am writing to provide feedback regarding the recent traffic safety measures implemented in our community. I appreciate the efforts made to enhance the safety of pedestrians and drivers alike.

Specifically, I would like to commend:

- The installation of new crosswalks.
- The improved signage around busy intersections.
- The increased presence of traffic enforcement officers during peak hours.

However, I have observed a few areas that may benefit from further improvement:

- Increased visibility of traffic lights at [specific location].
- Additional speed bumps along [specific street].
- Better lighting in areas with high pedestrian activity at night.

Thank you for taking the time to consider my feedback. I believe that with ongoing efforts, we can continue to improve traffic safety in our community.

Sincerely,
