Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request the inclusion of additional members in our disaster response team. Given the increasing frequency and intensity of natural disasters, it is imperative that our team is adequately equipped to respond effectively.

Our current team has demonstrated remarkable dedication, but the rising demands in our community necessitate an expansion. We are specifically seeking individuals with backgrounds in emergency management, medical assistance, logistics, and community outreach.

We believe that by strengthening our team, we can significantly improve our preparedness and response efforts. Additionally, we are committed to providing necessary training and support to new members to ensure they are well-prepared for disaster scenarios.

We would greatly appreciate your support in this initiative, and I am happy to discuss this matter further at your convenience. Thank you for considering our request.

Warm regards,
