Dear [Local Government Official's Name],

I am writing to provide my feedback regarding the recent proposal for changes to local government policies aimed at improving recreational facilities in our community. As a resident of [Community Name], I appreciate the efforts being made to enhance the quality of our recreational spaces.

Firstly, I commend the initiative to allocate more funds towards maintaining existing parks and building new recreational areas. Access to well-maintained facilities is essential for promoting health and well-being among residents of all ages.

Furthermore, I believe that incorporating community feedback into the planning process will ensure that the new facilities meet the diverse needs of our population. Organizing public meetings or surveys could greatly enhance our collective input.

However, I would like to express concern regarding [specific issue or concern]. Addressing this issue is critical for ensuring that the facilities truly benefit everyone in our community.

Thank you for considering my feedback. I look forward to seeing how these policy changes will positively impact our recreational spaces and support our community's growth.

Best regards,
