Dear [Recipient's Name],

I am writing to inquire about the local government's current policies regarding affordable housing initiatives within our community. As a resident of [Community Name], I am deeply concerned about the growing housing crisis and the impact it has on our community members.

Specifically, I would like to know:

- What steps are currently being taken to address affordable housing?
- Are there plans for any policy changes or new initiatives in the near future?
- How can residents participate in discussions or provide input on these matters?

Thank you for your attention to this pressing issue. I look forward to your response and learning more about how our local government plans to tackle affordable housing challenges.

Sincerely,
[Your Name]
