Dear [Recipient Name],

I hope this message finds you well. I am writing to formally request a proposal for the expansion of our distribution network to enhance our operational efficiency and better serve our customers.

As we continue to grow, it is crucial for us to evaluate our current distribution capabilities and identify opportunities for improvement. An expanded distribution network would allow us to reach a broader market, streamline logistics, and ultimately increase our revenue potential.

We would appreciate your assistance in developing a proposal that outlines potential strategies, costs, and timelines for this initiative. Additionally, any insights you could provide regarding best practices and industry standards would be invaluable.

Thank you for considering our request. We look forward to your prompt response and to discussing this important project further.

Sincerely,
