As we are increasing the volume of our shipments due to a rise in demand, I would like to inquire about the possibility of bulk shipping discounts for our frequent orders. We anticipate placing larger orders regularly, and it would be beneficial for both parties to discuss potential pricing structures that could accommodate our needs.

Could you please provide us with information regarding any available bulk shipping discounts, including the qualification criteria and pricing tiers? We are looking to strengthen our partnership with you and ensure the best shipping rates possible for our business.
