

Join Us for the Upcoming Sustainability Fair!

Dear Community Members,

We are excited to announce the **Annual Sustainability Fair**, taking place on **Saturday, March 15, 2024**, from **10 AM to 4 PM** at **City Park Community Center**.

This event aims to promote sustainable living practices and bring together local businesses, organizations, and community members dedicated to making a positive impact on our environment.

Join us for:

- Informative workshops on green living
- Exhibits showcasing sustainable products
- Fun activities for families
- Guest speakers from the sustainability community

We encourage everyone to come out, learn, and participate in making our community a greener place!

For more information, please contact us at info@sustainabilityfair.com.

We look forward to seeing you there!

Sincerely,
Your Sustainability Fair Committee
