Dear [Recipient Name],

We are excited to propose a collaborative multi-modal shipping initiative that aims to enhance logistics efficiency and reduce environmental impact. By partnering together, we believe we can streamline our shipping processes, minimize costs, and offer superior service to our clients.

Our initiative will combine [describe methods, e.g., truck, rail, air], allowing us to utilize the strengths of each mode to optimize delivery times and reliability. We are keen on leveraging our collective resources, sharing best practices, and exploring innovative solutions.

We invite you to discuss this initiative further at your earliest convenience. Together, we can create a more sustainable and efficient shipping model for our businesses and our customers.

Thank you for considering this opportunity. We look forward to your positive response.

Sincerely,
