

Update on Domestic Logistics Expansion Initiatives

Dear Team,

We are excited to share an update regarding our ongoing domestic logistics expansion initiatives. Our commitment to enhancing our logistics capabilities is paramount to ensuring better service delivery and operational efficiency.

Current Status

As of this month, we have successfully completed the following:

- Opened 3 new distribution centers across key regions.
- Increased our fleet capacity by 25% with the acquisition of new vehicles.
- Implemented advanced tracking technology to improve shipment visibility.

Next Steps

In the coming months, we will:

1. Roll out a new inventory management system.
2. Enhance partnerships with local carriers to expand our reach.
3. Conduct training sessions for staff on new logistics technology.

We appreciate your continued dedication and teamwork as we enhance our logistics capabilities. Together, we will achieve our goals and set new standards in service delivery.

Best regards,
