

Dear [Friend's Name],

I hope this letter finds you well. I've been reflecting on our recent conversations and the distance that has grown between us. It truly saddens me to think of the misunderstandings that have come between us.

I value our friendship deeply and would love the opportunity to talk things over. I believe we can work through this and come out stronger on the other side. I miss our good times together and want to reconnect.

Please let me know if you're open to having a conversation. I genuinely care about you and hope we can find a way to move forward together.

Warmest regards,

[Your Name]
