Remote Desktop Installation Instructions

Dear [New User],

Welcome to the team! In order to access your work resources remotely, please follow the instructions below to install and set up Remote Desktop.

Installation Steps:

1. Download the Remote Desktop client from the official website: [Download Remote Desktop](#).
2. Install the application by double-clicking the downloaded file and following the on-screen instructions.
3. Once installed, open the Remote Desktop application.
4. In the "PC name" field, enter the following details: **[Your PC Name]**.
5. Click on "Connect" and enter your username and password when prompted.

Additional Information:

If you encounter any issues during the installation, please contact our IT support at **[IT Support Email]**.

Thank you, and we look forward to working with you!

Best regards,

[Your Name]
[Your Position]
[Company Name]
