Dear [Recipient's Name],

I am writing to formally request a budget allocation for the expansion of our server capacity. As you are aware, our organization has experienced significant growth over the past year, resulting in an increased demand for data processing and storage solutions.

Currently, our existing server infrastructure is inadequate to handle our operational needs, leading to potential downtime and decreased efficiency. By expanding our server capacity, we aim to enhance our system's performance, improve service delivery, and ensure data security.

Based on our projections, we anticipate an investment of [insert amount] will enable us to meet our current and future demands. This enhancement is critical to maintaining our competitive edge and supporting our goal of [insert organizational goal].

We appreciate your consideration of this important request and look forward to discussing it further. Thank you for your attention to this matter.

Sincerely,

[Your Name]
