Client System Requirements

To: [Client Name]

From: [Your Company Name]

Date: [Date]

Dear [Client Name],

We are excited to begin working with you on your project. To ensure we meet your needs effectively, we would like to outline the system requirements necessary for the successful completion of the project.

1. System Overview

Provide a brief overview of the system's purpose and functionality.

2. Functional Requirements

- Requirement 1: [Description]
- Requirement 2: [Description]
- Requirement 3: [Description]

3. Non-Functional Requirements

- Performance: [Description]
- Security: [Description]
- Usability: [Description]

4. Technical Requirements

[Include relevant technologies, platforms, and tools required for development.]

5. Conclusion

We appreciate your attention to these requirements and look forward to your feedback. Please feel free to reach out with any questions or additional information you may require.

Sincerely,

[Your Name]
