Dear [Recipient Name],

Subject: Technology Risk Assessment for Data Privacy Compliance

As part of our ongoing commitment to data privacy and protection, we are conducting a technology risk assessment to ensure compliance with applicable data privacy regulations, including GDPR, CCPA, and others pertinent to our operations.

This assessment will focus on evaluating our current technologies, systems, and processes to identify potential risks associated with the handling of personal data. The aim is to implement appropriate measures to mitigate identified risks and enhance our data protection strategies.

We request your cooperation in this process to provide insights and data related to the technologies and systems you manage, including:

- Current software and hardware used for data processing
- Data storage and transfer mechanisms
- Access controls and data encryption practices
- Incident response protocols
- Employee training and awareness regarding data privacy

Please submit the requested information by [Insert Deadline] to facilitate a comprehensive evaluation. Should you have any questions or require further clarification, feel free to reach out to me directly.

Thank you for your attention to this important matter.

Sincerely,
