

Password Recovery Attempt Alert

Dear [User's Name],

We wanted to inform you that there was a failed attempt to recover the password associated with your account on [Website Name] on [Date].

If you did not initiate this request, please disregard this message. However, if you believe this was an unauthorized attempt, we recommend that you update your password immediately and enable two-factor authentication for added security.

If you need any assistance, please feel free to contact our support team.

Thank you,

The [Website Name] Team
