Client Tech Infrastructure Inspection Survey

Dear [Client's Name],

We are reaching out to conduct a comprehensive inspection of your tech infrastructure. This survey is designed to help us understand your current setup and identify any areas for improvement.

Please take a few moments to fill out the following questions:

Survey Questions

1. What type of hardware are you currently using?
2. How often do you perform maintenance on your systems?
3. What software applications are essential for your operations?
4. Do you have a backup and disaster recovery plan in place?
5. What challenges have you faced with your current tech infrastructure?

Your input is valuable to us and will be instrumental in enhancing your tech capabilities. Please submit your responses by [due date].

Thank you for your cooperation!

Sincerely,
