Dear [Recipient's Name],

I am writing to formally complain about the excessive noise generated by the ongoing construction work at [specify construction site or address].

Since construction commenced on [start date], the noise levels have been consistently disruptive, affecting my quality of life and daily activities. The loud sounds of machinery and equipment have made it difficult for residents to concentrate, work from home, and enjoy our living space.

Despite attempts to reach out informally, the situation remains unchanged, and I would appreciate your immediate attention to this matter. I request that you consider implementing noise reduction measures to minimize disturbance to residents in the vicinity.

Thank you for your understanding and prompt attention to this serious issue. I look forward to your response.

Sincerely,

[Your Name]
