

Dear [Community Leader's Name],

I hope this message finds you well. I am writing to express my growing concern regarding the littering issues that have been impacting our community.

Over the past few months, I have noticed an increase in litter in our parks, streets, and public spaces. This not only detracts from the beauty of our neighborhood but also poses environmental risks and health hazards to residents and wildlife.

I believe that collective action is necessary to address this issue. We could organize community clean-up events and promote educational campaigns to raise awareness about the importance of keeping our environment clean.

I would appreciate your support in bringing this matter to the attention of our local authorities and exploring potential solutions together.

Thank you for your attention to this important matter. I look forward to your response.

Sincerely,
[Your Name]
