Dear [Recipient Name],

I am writing to formally demand increased initiatives for clean-up efforts in our community due to the alarming levels of littering observed in public spaces. The ongoing issue has not only affected the aesthetics of our neighborhoods but has also posed significant environmental and health risks.

Despite previous clean-up campaigns, the persistent litter problem remains unaddressed, with reports from community members highlighting a lack of adequate resources and support for clean-up activities. It is imperative that we take stronger measures to combat this issue.

I urge you to consider implementing more frequent clean-up events, providing additional bins for waste disposal, and launching awareness campaigns to educate residents about the importance of keeping our environment clean.

Thank you for your attention to this pressing matter. I look forward to your prompt response and hope to see tangible initiatives soon that reflect our community's commitment to a cleaner environment.

Sincerely,
[Your Name]
