Dear [Recipient's Name],

I am writing to express my concern about the increasing problem of littering in our local parks, particularly [specific park name]. As a member of our community, I believe that it is essential to maintain the beauty and cleanliness of our public spaces for the well-being of residents and visitors alike.

Recently, I have noticed a significant amount of litter being left behind by park-goers, which not only detracts from the natural beauty of the area but can also pose environmental hazards to local wildlife. I urge you to consider implementing additional measures to address this issue, such as increasing waste disposal bins, organizing community clean-up events, and enhancing educational efforts about responsible park use.

Thank you for your attention to this important matter. I appreciate your efforts to keep our parks clean and enjoyable for everyone. I look forward to your response and any updates on actions that may be taken to combat littering.

Sincerely,

[Your Name]
