

Pet Waste Complaint

Address: [Homeowners' Association Address]

Dear [Homeowners' Association Board/Committee Members],

I hope this letter finds you well. I am writing to formally address a concern regarding pet waste in our community, particularly in the areas surrounding [specific location or area]. As a resident of [Your Neighborhood/Community Name], I believe it is important to maintain a clean and pleasant environment for all residents and visitors.

It has come to my attention that there have been several instances of pet owners not picking up after their pets, leading to unsightly and unsanitary conditions. This not only detracts from the beauty of our neighborhood but can also pose health risks and create an unpleasant living environment.

I kindly request that the association remind all residents of the importance of adhering to our community's pet policies, ensuring that pet waste is disposed of properly. It might also be beneficial to consider additional signage in common areas as a reminder.

Thank you for your attention to this matter. I appreciate your continued efforts to keep our community safe and clean. Should you require further information or wish to discuss this matter, please feel free to contact me.

Sincerely,

[Your Name]
