

# Dear Neighbors,

I hope this message finds you well. I am writing to address a growing concern in our community regarding pet waste and its impact on our neighborhood's cleanliness.

While we all love our furry friends, it is important that we each take responsibility for cleaning up after them. Leftover pet waste not only creates an unpleasant odor but can also pose health risks to our families and the environment.

I kindly request that all pet owners ensure they are cleaning up after their pets, using waste bags and disposing of them properly. Together, we can maintain the beauty and hygiene of our community.

Thank you for your attention to this matter, and for helping to keep our neighborhood a wonderful place to live.

Sincerely,
