To Whom It May Concern,

I am writing to formally bring to your attention the issue of pet waste on [specific location or area]. As a resident of our community, I have observed that this has become a significant concern for both public health and the overall cleanliness of our neighborhood.

It has been noted that pet owners are not adequately cleaning up after their pets, which poses health risks and diminishes the enjoyment of our shared spaces. I kindly request that the local authorities take appropriate measures to address this issue, such as increased signage, public education campaigns, or enforcement of existing ordinances regarding pet waste disposal.

Thank you for your attention to this matter. I look forward to your response and any actions that may be taken to resolve this issue.

Sincerely,
