

# Proposal for Joint Tree Management

Dear [Recipient's Name],

I hope this letter finds you well. I am writing to propose a collaborative effort to address the issue of overhanging branches from the trees that border our properties at [Your Address] and [Recipient's Address].

As we have both noticed, the overhanging branches can pose risks such as property damage and safety hazards. To ensure the health of the trees and maintain the aesthetics of our neighborhood, I believe that a joint tree management initiative would be beneficial.

Here are some suggested actions we might consider:

- Conducting a tree assessment with a certified arborist.
- Implementing a pruning schedule to maintain tree health.
- Sharing the costs associated with the maintenance work.

I would appreciate the opportunity to discuss this proposal further and explore how we can work together effectively. Please let me know a convenient time for us to meet or talk.

Thank you for considering this joint effort. I look forward to your response.

Sincerely,
