

# Request for Assistance with Stray Animals

Date: \_\_\_\_\_

To Whom It May Concern,

I am writing to request assistance regarding the care of stray animals in our community. Over the past few weeks, I have noticed an increasing number of stray animals, particularly cats and dogs, in the area of [Your Location].

These animals appear to be in need of immediate care, including food, shelter, and medical attention. I am concerned for their wellbeing and the potential health risks they may pose to our residents.

I kindly ask for your support in providing resources to help address this issue. This could include food donations, medical care arrangements, or coordination with local animal shelters.

Thank you for considering this important matter. I look forward to your response and any assistance you can provide.

Sincerely,
