Dear [Organizers' Name],

I hope this message finds you well. I am writing to formally express my dissatisfaction regarding the recent fireworks event held on [event date] at [event location]. While I appreciate the effort put into organizing such an event, I have some concerns that I feel need to be addressed.

Firstly, the noise level was excessively high, causing distress not only to me but also to my family and pets. Moreover, the timing of the fireworks was not communicated effectively, leading to disruptions during late hours.

Additionally, I noticed that proper safety measures seemed to be lacking, which raised concerns about potential hazards to spectators and nearby residents.

I believe that a review of the event's organization and execution could significantly enhance the experience for everyone involved in future events. I appreciate your attention to my concerns, and I look forward to your response.

Thank you for considering my feedback.

Sincerely,
