

# **Subject: Concerns Regarding Fireworks Proximity to Residential Areas**

Date: [Insert Date]

To Whom It May Concern,

I am writing to express my concerns regarding the use of fireworks in close proximity to residential areas, specifically in [Insert Location]. As a resident of this community, I have witnessed numerous instances where the use of fireworks has posed risks to both property and personal safety.

The noise generated by fireworks can be distressing for families, particularly those with young children, elderly residents, and pets. In addition, there is a heightened risk of fire hazards in our densely populated area, especially during dry seasons.

I urge our local authorities to consider establishing stricter regulations surrounding the use of fireworks. Possible solutions could include designated areas for fireworks displays away from residential neighborhoods or implementation of stricter time restrictions on when fireworks may be used.

Thank you for considering the wellbeing of our community. I look forward to your prompt attention to this urgent matter.

Sincerely,
