Dear [Recipient's Name or "City Council Members"],

I am writing on behalf of the residents of [Your Neighborhood Name] to formally request the implementation of restrictions on the use of fireworks within our community.

With the upcoming [specify occasion, e.g., Independence Day, New Year's Eve], many residents are concerned about the safety and well-being of our families, pets, and homes. The noise and potential hazards associated with fireworks can lead to stress and safety risks, especially for individuals with PTSD and our furry companions.

We believe that establishing designated fireworks-free zones or limitations on fireworks usage will greatly enhance the safety and comfort of our neighborhood. We kindly request your support in considering this restriction and would appreciate any measures you can take to enforce it.

Thank you for your attention to this matter. We look forward to your positive response.

Sincerely,

[Your Name]
