

Seasonal Lawn Maintenance Recommendations

Date: [Insert Date]

Dear [Homeowner's Name],

As the seasons change, it's important to adjust your lawn care routine to keep your yard healthy and vibrant. Here are some recommendations for maintaining your lawn this season:

Spring Maintenance

- Remove debris and leaves from your lawn.
- Aerate the soil to enhance nutrient absorption.
- Apply a high-quality fertilizer to promote growth.
- Reseed any bare patches to ensure a lush lawn.

Summer Tips

- Water deeply and less frequently to encourage deep root growth.
- Keep lawnmower blades sharp for clean cuts.
- Consider scheduling pest control if you notice any infestations.

Fall Preparations

- Rake fallen leaves to prevent mold and pests.
- Fertilize your lawn to prepare it for winter.
- Continue mowing until the grass stops growing.

Winter Care

- Avoid walking on frozen grass to prevent damage.
- Keep pathways clear of snow and ice to reduce stress on the grass.

By following these recommendations, you can ensure your lawn remains healthy and beautiful throughout the year. Should you have any questions or need assistance with your lawn care, please feel free to reach out.

Sincerely,

[Your Name]
