

# Dear Families,

As we approach the festive season, we would like to remind everyone of some important safety guidelines to ensure a joyous and safe holiday for all.

## Holiday Decoration Safety Guidelines

- **Lights:** Always check for frayed wires or broken bulbs before using. Use only lights tested for safety.
- **Tree Placement:** Keep trees away from heat sources such as fireplaces and heaters.
- **Secure Decorations:** Ensure that all decorations are securely attached and away from high-traffic areas.
- **Candles:** Never leave burning candles unattended and keep them out of reach of children and pets.
- **Child Safety:** Keep small ornaments and decorations out of reach of young children to prevent choking hazards.

We wish you a happy and safe holiday season!

Sincerely,  
The Safety Committee
