Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally express my disagreement regarding the shared responsibility for drainage management between our properties. It has come to my attention that there are differing views on the obligations pertaining to the drainage system that services our adjacent properties.

It is my understanding that the maintenance and upkeep of the drainage system should be a shared responsibility, however, I believe my interpretation of our agreement is not being fully acknowledged.

Given the recent issues--we have experienced a significant amount of flooding that appears to stem from the drainage system--I feel it is essential to clarify our respective responsibilities. I would like to propose a meeting to discuss this matter further and work towards a mutually agreeable solution.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
