Dear [Community Garden Coordinator's Name],

I am writing to express my interest in applying for a space in the [Name of Community Garden]. I am very passionate about gardening and believe that participating in a community garden will not only allow me to grow my own plants but also contribute to our local community.

As a resident of [Your Neighborhood/Area], I would love the opportunity to cultivate a plot where I can grow [specific plants you wish to grow]. Additionally, I am eager to engage with fellow members and contribute to the upkeep of the garden.

Please let me know if there are any forms or further information required for my application. I look forward to the possibility of joining [Name of Community Garden] and being part of such a green initiative.

Thank you for considering my application.

Sincerely,
