Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request the implementation of enhanced surveillance measures for the safety and monitoring of pets in our area.

Given the increasing concerns regarding pet safety and the incidents reported in our community, I believe that enhanced surveillance could significantly help in tracking lost pets and ensuring their security.

I kindly propose the installation of additional surveillance cameras and the use of GPS tracking devices for pets. This would not only aid in immediate recovery efforts but also provide peace of mind to pet owners.

I would appreciate the opportunity to discuss this proposal further and explore how we can work together to ensure a safer environment for our beloved pets.

Thank you for considering my request. I look forward to your positive response.

Sincerely,
