Dear [Recipient's Name],

I am writing to formally request the implementation of traffic calming measures in our residential area, specifically along [specific street/area]. As a resident of this neighborhood, I have observed an increase in vehicle speeds and traffic volume that poses a safety risk to pedestrians, especially children and elderly residents.

Several parents have expressed concerns while walking their children to [nearby school/park], as well as residents trying to cross the road for essential errands. To enhance safety, I propose the installation of speed bumps, pedestrian crossing signs, and other appropriate measures to regulate traffic flow.

I believe that the introduction of these measures will significantly improve the safety and quality of life for all residents in our community. I kindly request that you review this matter and consider the potential benefits of these changes.

Thank you for your attention to this important issue. I look forward to your positive response.

Sincerely,

[Your Name]
