

# Letter of Complaint Regarding Vehicular Traffic

Date: [Insert Date]

To: City Council

[City Council Address]

Dear City Council Members,

I am writing to formally express my concerns regarding the increasing vehicular traffic in our neighborhood, particularly on [Insert Street Name/Area]. This issue has become a significant concern for residents, affecting our safety and quality of life.

Over the past few months, I have observed a marked rise in both the volume and speed of traffic, which poses a danger to pedestrians, especially children and the elderly. The lack of proper signage and traffic control measures further exacerbates this problem.

I kindly urge the city council to consider implementing [suggested solutions, e.g., speed bumps, stop signs, traffic lights or increased signage] in the affected areas to help mitigate these risks and improve safety for all residents.

Thank you for your attention to this important matter. I look forward to your prompt action and response.

Sincerely,
