Dear City Council Members,

I am writing to formally express my concern regarding the unsafe walking paths in our community, particularly in [specific area/location]. As a resident of [your neighborhood or area], I have noticed several hazardous conditions that pose a risk to pedestrians.

Some of the issues include:

- Uneven pavement causing tripping hazards
- Lack of adequate lighting making it difficult to walk at night
- Overgrown vegetation obstructing pathways

These conditions not only make it uncomfortable for residents to enjoy walks but also significantly increase the risk of accidents. I urge the council to take immediate action to address these safety concerns.

Thank you for your attention to this matter. I look forward to your prompt response and action.

Sincerely,
Your Name
