

# Dear [Friend's Name],

I hope this letter finds you well! As we both know, finding reliable pet care can be a challenge.

I was thinking it might be fun to do a pet care swap! We could take turns watching each other's pets while we're away or busy. It could be a great way to give our furry friends some socialization and save on pet sitting costs.

For example, I could watch [Pet's Name] while you're out of town next month, and in return, you could take care of [Your Pet's Name] during my upcoming trip. We can share tips and routines to make everything easier for both our pets.

Let me know what you think! I'm excited about the possibility!

Warm regards,

[Your Name]
