Dear [Insert Recipient Name],

We, the undersigned members of [Insert Organization/Committee Name], hereby present this resolution concerning the pressing concerns regarding waste management in our community. After thorough discussions and surveys conducted among residents, it has come to our attention that:

- Improper waste disposal practices are prevalent in our community.
- Accumulation of waste is affecting public health and the environment.
- Current waste management strategies are insufficient and require immediate improvements.

Therefore, we resolve to take the following actions:

1. Implement a community awareness program regarding proper waste disposal.
2. Increase the frequency of waste collection in residential areas.
3. Advocate for a recycling initiative to minimize waste statistically.
4. Engage local businesses to support waste management efforts.

We believe that by adopting these measures, we can significantly improve our waste management system and promote a cleaner, healthier environment for all residents.

Thank you for your attention to this important issue. We look forward to your support in our collective efforts to enhance waste management within our community.

Sincerely,

[Your Name]
