

Follow-Up on Hardware Compatibility Assessment

Dear [Recipient's Name],

I hope this message finds you well. I am writing to follow up on the hardware compatibility assessment that we initiated on [date]. As we discussed, it is essential for us to understand whether our existing hardware can support the new software solutions we intend to implement.

Could you please provide an update on the status of the assessment? Any insights or preliminary findings would be greatly appreciated, as they will help us in making informed decisions moving forward.

Thank you for your attention to this matter. I look forward to your prompt response.

Best regards,
